This special creature lives in South American forests. Deforestation and hunting threaten the survival of this wonderful species whose very important job is seed dispersal and pest control.

Mrs. Lovegood's pieces are crafted in an environment of joy, tranquility, love and respect. These surroundings find their way into every fibre of our items, creating a product charged with positive energy. We believe that every object carries its own history, the artisans who embroider and weave with their prodigious hands, imprint a bit of their soul in each product. Our pieces, just as every fibre and artisan, are one of a kind and each imperfection, is a nod of appreciation and acceptance to the beauty of a unique handmade product.
